

Responsible for the content:

Benken GmbH
Wurmberger Straße 27
75446 Wiernsheim
Germany

Managing directors: Dipl.-Inf. Ralf Benken, Sabine Benken

VAT Identification Number: DE 173045632
Commercial Register Mannheim, HRB 511128

All information and declarations of these Internet pages shall be without obligation. Benken GmbH accepts no liability for the accuracy and completeness of the contents. We provide no guarantee and give no assurances regarding product properties. The contents of the Internet pages cannot form the basis of any legal claim. Errors in the contents will be corrected immediately as soon as they come to our attention. Time-delayed updating of the Internet pages means that they cannot always be up-to-date. Therefore, please ask us about the status, technical details and availability of products and services. Links to other Internet pages are not checked ongoing. Thus we assume no responsibility for the contents of linked sites.

Downloading of data and software

Benken GmbH does not provide any guarantee that data and software downloaded from Internet pages are free of errors. Benken GmbH checks the software for virus attacks. We do recommend, however, that you check data and software with the latest anti-virus software, after downloading.

Copyrights and other special industrial property rights

The contents of these Internet pages are protected under copyright law. One copy of the information of the Internet pages may be saved on one single computer for the non-commercial and personal internal use. Graphics, texts, logos, images, etc. may only be downloaded, reproduced, copied, changed, and released for publication, forwarded, transferred or used in any other form with the prior written consent of Benken GmbH. The stated product and firm names may also constitute registered trademarks or brands. Unauthorized use of these may lead to claims for damages and injunctive relief.

Protection of personal data and confidentiality

It cannot be guaranteed that information or personal data communicated to us will not be "bugged" by third parties during transfer.

Liability

Benken GmbH is not liable for damage, in particular not for indirect or direct consequential damage or loss, data loss, lost profit, system breakdowns or losses of production that arise through the use of these Internet pages or the downloading of data. Exemption from liability does not apply if loss has occurred from the use of web pages or data download resulting from deliberate intent or gross negligence. The legal relationship arisen between you and Benken GmbH through the use of the Internet pages shall be governed by the law of the German Federal Republic. In the event of legal disputes, resulting from the use of these Internet pages, with merchants entered in the commercial register, the place of jurisdiction shall be Pforzheim.

Data protection

Benken GmbH is keen to encourage user confidence in the Internet and for this reason we are disclosing the use of personal data. You will find out below which information is gathered and how it is used.

Notes on data protection

You may normally access all Benken GmbH Internet pages, without giving any personal information. If, as an exception, your name, address or other personal details are required, you will be informed in advance. Your personal user data are used to make the services provided by Benken GmbH as pleasant to use as possible and they are also used to improve the service.

When you decide to submit your personal data over the Internet to Benken GmbH, to make correspondence possible or to enable an order to be processed, these data are handled with care, in accordance with the strict regulations of the German Federal Data Protection Act (BDSG). When you access the Internet page, Benken GmbH receives user data which are saved for security reasons and possibly as a means of identification (e.g. ISP address, date, time and pages visited). These data are assessed by Benken GmbH to learn about user behavior and to compile statistics. In all procedures, the high security standards of the Teleservice Data Protection Act (TDDSG) and of the Data Protection Ordinance for Telecommunication Companies (TDSV) are observed. There is no evaluation of private individuals. We reserve the right to make a statistical assessment of anonymous data records.

Further information on data protection in the German Federal Republic can be found here: www.bfd.bund.de

Forwarding personal information to third parties

If data are forwarded to service providers as part of commissioned data processing, these data are tied to the BDSG and other legal provisions and they are contractually tied to the privacy policy of Benken GmbH. As far as Benken GmbH is obliged to do so, legally or by court order, it will transfer the requested volume of your data to authorities entitled to the information. For other purposes, Benken GmbH will not forward your data to third parties without your express consent.

Security

Benken GmbH saves your data on specially protected servers in Germany. Access is granted only to persons authorized by Benken GmbH who are involved in the technical, commercial or editorial servicing of these servers.

Right to withdraw data

If you ask Benken GmbH to discontinue use of your personal data for contacting you, and/or to delete it, we will act accordingly. Data which are essential for order processing or for commercial purposes are not affected by cancellation or deletion.

Please understand that our personalized service can no longer be provided in the case of data withdrawal, as it is based on the use of customer information.

Use of cookies

During an online session, text information is gathered in cookies and stored in ASCII format in a special file (cookie.txt) on the user's hard drive. The user's Internet browser checks where the cookie is stored on his system. Cookies are items of information which are sent back to the server the next time the Internet is accessed. In each case, they can only be read by the server which has also previously stored them.

Benken GmbH only uses cookies when they are absolutely essential for user functions or if

they make the website easier to navigate. The information is not made available to third parties, as cookies are used only for the above-mentioned purposes. Most browsers are set in such a way as to accept cookies automatically. This function can, however, be disabled in the browser at any time. You can set your browser to inform you as soon as cookies are being sent.

Links to other websites

In certain cases, Benken GmbH web pages contain links to other websites. Benken GmbH has no influence on the content of other websites and on whether their operators observe data protection regulations.

Advertising

Benken GmbH web pages do not normally contain any advertising panels. If there is advertising, it is distributed by external ad servers. The data applied in connection with online advertising (ad impressions and ad clicks) are used solely for statistical evaluation and to compile reports to advertising customers. No personal data are used. Cookies may possibly be used to distribute advertising, with Benken GmbH having no control over this.

Google Analytics

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website will be transmitted to and stored by Google on servers in the United States.

In case IP-anonymisation is activated on this website, your IP address will be truncated within the area of Member States of the European Union or other parties to the Agreement on the European Economic Area. Only in exceptional cases the whole IP address will be first transferred to a Google server in the USA and truncated there. The IP-anonymisation is active on this website.

Google will use this information on behalf of the operator of this website for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing them other services relating to website activity and internet usage.

The IP-address, that your Browser conveys within the scope of Google Analytics, will not be associated with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. You can also opt-out from being tracked by Google Analytics with effect for the future by downloading and installing Google Analytics Opt-out Browser Addon for your current web browser:
